

Higher

Panama

And it's our luck
Turning into dust
It's not enough
I feel it in my blood
And it's our luck
With past mistakes
It's not enough
Turning into dust

There's a fire
There's a fire
Burning beneath us
Cannot control this
Cannot control this
There's a fire

Can we make it higher
Can we make it higher
Can we get higher
Ooh ooh

Can we make it higher
Can we make it higher
Can we get higher
Ooh ooh

And it's our luck
She pulls my strings
There is no trust turning into rust
And it's luck
Turning into dust
There is no love
Turning into dust

There's a fire
There's a fire
Burning beneath us
Cannot control this
Cannot control this
There's a fire

Can we make it higher
Can we make it higher
Can we get higher
Ooh ooh

Can we make it higher
Can we make it higher
Can we get higher
Ooh ooh

Listen to my heartbeat
Listen to my heartbeat
Heartbeat, listen to my heartbeat
My heartbeat, ooh ooh
Heartbeat, listen to my heartbeat
My heartbeat, ooh ooh
