

# It's Not Over

Panama

You say it used to be different, mmm mhm mhm  
I know it's safe but won't you take me home  
You know it could have been different, mmm mhm mhm  
You say you wish that it was over  
Oh, oh, ooh, oh, oh, oooh  
Oh, oh, ooh, oh, oh, oooh

You hope it would have been different, mmm mhm mhm  
Now you thinking about a brand new start  
You say there won't be another chance, mmm mhm mhm  
Now you're on your own, on the subway home  
And there's a party going on somewhere near tonight  
You say you wish you were younger, so you can make mistakes again

Oh, oh, ooh, oh, oh, oooh  
It's not over  
Oh, oh, ooh, oh, oh, oooh  
It's not over, till it's over

And dots connected, our hearts redirected  
I've done all I can, all I can  
I cannot correct this  
And it's strange to walk the corridors again  
I know it's never going to ever change

Oh, oh, ooh, oh, oh, oooh  
It's not over  
Oh, oh, ooh, oh, oh, oooh  
It's not over, till it's over

I cannot correct this  
I cannot correct this
