

# Push Me

Panama

I know, I know, I know, I know  
What I'm feeling  
There is no reason  
When you're gone

Out of my life, out of my life  
Want you near  
Give it one more try  
Woah-oh-oh-oh  
Out of my life, out of my life  
Want you near  
Give it one more try  
Woah-oh-oh-oh  
Out of my life, out of my life  
Want you near  
Give it one more try  
Woah-oh-oh-oh

You push, push me  
But you won't talk to me  
Hey yeah, yeah  
Hey yeah, yeah  
You push, push me  
But you won't talk to me  
You push me

Come on, come on, come on, come on  
Let me in  
Can I breathe again?  
Ooh-ooh-ooh-ooh

I know, I know, I know, I know  
What I'm feeling  
There is no reason  
When you're gone  
Out of my life, out of my life  
Want you near  
Give it one more try  
Woah-oh-oh-oh

Out of my life, out of my life  
Want you near  
Give it one more try  
Woah-oh-oh-oh

You push, push me  
But you won't talk to me  
Hey yeah, yeah  
Hey yeah, yeah  
You push, push me  
But you won't talk to me  
You push me

You push, push me
