Rolling Back

Panama

From tree tops I see it all
Just like I used to
But I just have to find you

Wear high tops
In the daytime
Holding back the pain
How could you stop it?

People change if broken
Seeking shelter
Please feel the same
The same as me

Ooh-ooh-oooh-ooh
I keep rolling back
I keep rolling back
Oooh-ooh-ooh

Ooh-ooh-oooh-ooh
I keep rolling back
I keep rolling back
Oooh-ooh-ooh

From closed doors
Broken windows
I want to be there
How long before I find you

On roof tops
I'll keep waiting
Waiting for the day
How could I drop it

People change if broken
Seeking shelter
Please feel the same
The same as me

Ooh-ooh-oooh-ooh
I keep rolling back
I keep rolling back
Oooh-ooh-ooh

Ooh-ooh-oooh-ooh
I keep rolling back
I keep rolling back
Oooh-ooh-ooh
