

Strange Feeling

Panama

Come down
I couldn't find the answer
It's the strangest feeling when I noticed
You were right
It's something that I didn't know
Come down
I think I'm over my head

With this
Situation never changed
Can we
Close our eyes and start again
You say
You don't wanna disconnect
But you
Fear to appear desperate

A strange feeling has come over me now
Strange feelings
A strange feeling has come over me now
Strange feelings

A strange feeling has come over me now
Strange feelings
A strange feeling has come over me now
Strange feelings
