

# Sunshine

Panama

All because of you  
It's all because I have to wait  
Have to wait  
Guess I gotta be  
The one who takes the weight  
Takes the weight

Don't leave  
Don't leave  
Cos I know what I want to say  
Don't you let me go if I should hesitate  
Hesitate

Time moves so slow  
Waiting for daylight  
Gotta keep us all together  
Waiting for daylight

Time moves so slow  
Waiting for daylight  
Gotta keep us all together  
Waiting for daylight

Oh oh the sunshine  
Oh oh the sunshine  
Oh oh the sunshine  
Oh oh the sunshine

Put away the pain  
I know that I need to wait  
I need to wait  
Guess I gotta be  
The one who hesitates  
Hesitates

Time moves so slow  
Waiting for daylight  
Gotta keep us all together  
Waiting for daylight

Time moves so slow  
Waiting for daylight  
Gotta keep us all together  
Waiting for daylight

Oh oh the sunshine  
Oh oh the sunshine  
Oh oh the sunshine  
Oh oh the sunshine

Oh oh the sunshine  
Oh oh the sunshine  
Oh oh the sunshine  
Oh oh the sunshine
