

# Together

Panama

No one can be this  
Hanging together  
Neither one will end it  
You say wait hesitate

Over not over  
Want this together  
Need the space  
I need the space  
Living together

Friction between us  
Tension hold my breath  
Neither one can fix it  
It's too late separate

Over not over  
Want this together  
Need the space  
I need the space  
Living together

No not over  
No not over  
No not over  
No not over

Over not over  
Over not over

Over not over  
Want this together  
Need the space  
I need the space  
Living together

No not over  
No not over  
No not over  
No not over

Over not over  
Over

No not over  
No not over  
No not over  
No not over

Over not over  
Over

Want this together  
I need the space  
I need the space
