

Failed At Math(s)

Panchiko

Face up to the wall right now
And we know what's wrong
Can't recall your face somehow
That got lost too long

These robot hands
Keep, I must know everything
This niche I own
Time extends
So thanks for all those memories
Aching in my soul

Hmm-hmm, hmm-hmm-hmm-hmm, oh-oh-oh-oh
Hmm-hmm, hmm-hmm-hmm-hmm, oh-oh-oh

Can't recall the words right now
We put that to fire
Bets are on and tokens found
Got the heart's desire

These robot hands
Keep, I must know everything
This niche I own
Failed at maths
A list of all those memories
Bookmarks of us all
These robot hands
Keep, I must know everything
This niche I know
Time expands
So fast for all those memories
Aching in my soul
