

Danger

Panda Bear

All that you do for me
Can't you see what you do to me
Into the air like a fallen leaf
Get in a twist but it's probably brief
Out to the edge of the subtle code
When will you come, come back to me
Only a limb with a broken bone
When can I give, give it to you

Danger
When your grip get a hold of me
I'm in danger
When the grip get a hold of me
I got to get back to that harmony

All that you do for me
Can't you see what you do to me
Gave you a pot for the tea to brew
Give me a spot for the art to grow
Caught in the storm of a body's way
When can I go, go home to you
Saw through the swarm of a cynical play
And now I'm back here beggin' for more

Danger
When your grip gets a hold of me
I'm in danger
When the grip get a hold of me
I got to get back to that harmony

Dang dang dang dang dang dang
I'm in danger
Dang dang dang dang dang dang
I'm in danger

All that you do for me
Can't you see what you do to me
Glad for the day even when it's gray
Show me a place where my thoughts can go
Played to the end of a brittle tape
When will you play, play it for me
And to the end of this cold landscape
I'll keep coming back for more

Of your danger
When your grip get a hold of me
I'm in danger
When the grip get a hold of me
I got to get back to that harmony

Dang dang dang dang dang dang
I'm in danger
Dang dang dang dang dang dang
I'm in danger
Dang dang dang dang dang dang
I'm in danger
