

Everyday

Panda Bear

I got somethin' to tell you
I might even yell, yeah
There's somethin' I'm feelin'
That's settin' me reelin'

Everyday, a little bit longer
Every way, a little bit stronger
Every time, I'm gonna long for
Everything, we gotta be strong for

I got somethin' to tell you
I might even yell, yeah
There's somethin' I'm feelin'
That's settin' me reelin'

Everyday, a little bit longer
Every way, a little bit stronger
Everytime, I'm gonna long for
Everything, we gotta be strong for

I got somethin' to tell you
I might even yell, yeah
There's somethin' I'm feelin'
That's settin' me reelin'

Everyday, a little bit longer
Every way, a little bit stronger
Every time, I'm gonna long for
Everything, we gotta be strong for

I got somethin' to tell you
I might even yell, yeah
There's somethin' I'm feelin'
That's settin' me reelin'

Everyday, a little bit longer
Every way, a little bit stronger
Every time, I'm gonna long for
Everything, we gotta be strong for

I got somethin' to tell you
I might even yell, yeah
There's somethin' I'm feelin'
That's settin' me reelin'

Everyway, a little bit stronger
Every time, I'm gonna long for
