

## Faces In the Crowd

Panda Bear

To my guy 'til I die

If it's real good or it's lame  
It's you  
Still, you looking back  
Look into the mirror  
Look into the mirror, it's a game, oh  
You like it or you don't  
Look into the mirror  
Look into the mirror, it's a game, oh  
You like it or you don't  
If it's real good or it's lame  
It's you  
Still, you looking back
