

Inner Monologue

Panda Bear

Look
Up from the screen
My god

Ran away
Don't run away
We ran away
Don't we run away

One
I can't
Become

One
To one
I can't
Be one

Wake
Up from a nap
Be glad

Ran away
Don't run away
We ran away
Don't run away

One
I can't
Become

Just one
To one
I can't
Be one
