

Inside a Great Stadium and a Running Race

Panda Bear

Gun fires and each and every man digs in
They make a shuffle as each runner gets going on his way
Tears rise in the stands like water in a glass

Some say, "Go this guy"
And others, "Go that guy"
Packets go and men are jockeying for position
Looking more like a herd of angry horses

Round the first two bends and men are left behind
Arms up and down, legs back and forth
Lane 4, now Lane 5 takes the lead

Man down!
Someone's been tripped up
It's clear this man must receive medical attention
Man down! (4x)

The race goes on, lane 2 pushes front
Sweat on the edge of each arm
Step step, step step. Find a way to get more speed
It's gonna be close
