Panda Bear

Strange
What are we
Chained to this thing?

Claim
What are we
Doing in this thing?

Every day
I found
A euro on the ground

I'm saying
Why don't we
Turn on this thing?

Only if you try to take
Away

Odd
Were a peacock
In the rain

Explained
When a bum note
Isn't played

Say
Too bad
A perfect
Way to go

No way
Shouldn't we
Clean up this mess?

It's late at night
So find a take
Away

When it's on
It's on
Nothing in the way

Go vagabond
Lay it on the lawn
...
But without a thing to say

It's a big show
Even if they're painted on

And we only got ourselves to blame

When it's on
It's on
Nothing in the way

Go vagabond
Lay it on the lawn
...
But without a thing to say

It's a big show
Even if they're painted on

Take a chance
And try to
Break away

...

Each and every day
I found
A euro on the ground

Too late
It's a black out
Anyways
