Panda Bear

I'm cracking I wanna crack it
Give my tidings
I'll go when I wanna go
Have to go

Blow that steam

The facts of a piece of plastic
Tough won't crumble

A slap on a jelly ass
(Why) don't you go and

Get into the building
Slide into a warm robe
Let me get you something
Hot to brave the coldest cold

A slip of a piece of fabric
Gives me hijinks

I'll go when I wanna go
Self-control

Blow that steam

A blast from an automatic
Smooth no jamming

A slap on a jelly ass
(Why) don't you go and

Get into the building
Slide into a warm robe
It's been building all my life
A soft whisper for the last time

Want to
Tell you
That I
Want to
Tell you
