Do It To Death

Panic! at the Disco

Take me to the limit
Take me to the limit
Nothing lasts forever, so we'll give it a try
Take me to the limit
Every single minute
Do it all to death, now before we die

Patience now, don't cut the line
Put me back together, it'll be just fine
You're in or out or left behind
Take it to eleven, 'fore we run out of time (Oh)

Take me to the limit
Take me to the limit
Nothing lasts forever, so we'll give it a try
Take me to the limit
Every single minute
Do it all to death, now before we die

Lose control, step on the gas
Burn a little brighter for as long as it lasts
Growing older happens fast
Nothing's gonna happen if you sit on your ass (One, two, three, go)

Take me to the limit
Take me to the limit
Nothing lasts forever, so we'll give it a try
Take me to the limit
Every single minute
Do it all to death, now before we die
Do it all to death, now before we die

(Ooh, ooh, ooh, ooh, ooh)
(Ooh)

Do it all to death, do it all to death
Do it all to death, do it all to death
Do it all to death, do it all to death
Ah

Take me to the limit
Take me to the limit

Take me to the limit
Take me to the limit
Nothing lasts forever, so we'll give it a try
Take me to the limit
Every single minute
Do it all to death, now before we die
Take me to the limit
Take me to the limit
Nothing lasts forever, so we'll give it a try
Take me to the limit
Every single minute
Do it all to death, now before we die
Do it all to death, now before we die
Do it all to death, now before we die

Shut up and go to bed
Shut up and go to bed
