

(Fuck A) Silver Lining

Panic! at the Disco

"Out to the old, and to the new
We rededicate this song to you..."

Fuck a silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough
Fuck a silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough

One more, one more

It's just cherries, cherries
Everything is cherries on top
No wings of wax or endless mountains
Tragedies with penniless fountains
It's just cherries, cherries
It's coming up cherries on top
Sunset shadows through the trophies
I guess it just ain't big enough

Say it one more, one more, one more

Fuck a silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough
Fuck a silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough

It's just cherries, cherries
Everything is cherries on top
It's just cherries, cherries
Everything is cherries on top

(One more, one more)

We've been falling, falling
It's like we fell to the top
I was born to cut a million
Cut my teeth and made a killing
Now I'm dodging, dodging
Everything you think that I'm not
Archetype of television
Was lost in thought but held my vision, ey

When ya gonna say my name
When ya gonna say my name
A quick charade
Beyoncé
Lemonade
When ya gonna say my name
When ya gonna say my name
No delay
No half-way
Lemme hear you say

One more, one more, one more
(One more)

Silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough
Fuck a silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough

It's just cherries, cherries
Everything is cherries on top
It's just cherries, cherries
Everything is cherries on top

Silver lining
Fuck a silver lining
Cause only gold is hot enough, hot enough

(One more, one more)
