

# House of Memories

Panic! at the Disco

If you're a lover, you should know  
The lonely moments just get lonelier  
The longer you're in love  
Than if you were alone  
Memories turn into daydreams  
Become a taboo

I don't want to be afraid  
The deeper that I go  
It takes my breath away  
Soft hearts electric souls  
Heart to heart and eyes to eyes  
Is this taboo?

**F#m D A**  
Baby we built this house  
**C#7**

On memories

**F#m D A**  
Take my picture now  
**C#7**

Shake it til you see it

**F#m D**  
And when your fantasies

**A C#7**  
Become your legacy

**D C#7**  
Promise me a place

In your house of memories

**F#m D A D F#m D A D**  
Wooooohh Wooooooohh Wooooohh Wooooohh  
I think of you from time to time  
More than I thought I would  
You were just too kind  
And I was too young to know  
That's all that really matters  
I was a fool

Baby we built this house  
On memories  
Take my picture now  
Shake it til you see it  
And when your fantasies  
Become your legacy  
Promise me a place  
In your house of memories

Those thoughts of  
Past lovers  
They'll always haunt me  
I wish I  
Could believe  
You'd never wrong me  
Then will you  
Remember  
Me in the same way

As I remember you

Baby we built this house  
On memories  
Take my picture now  
Shake it til you see it  
And when your fantasies  
Become your legacy  
Promise me a place

Baby we built this house  
On memories  
Take my picture now  
Shake it til you see it  
And when your fantasies  
Become your legacy  
Promise me a place  
In your house of memories  
In your house of memories  
Promise me a place
