

# Ugly Boy

Pankix

Tell me  
where's the guy  
I used to know  
ten years ago?

Nasty smile  
special kind  
and serious  
mysterious.

Bresh mind  
mad at night  
and never tried  
to be a mother's pride.

Tell me  
why I long  
for silly toy  
my ugly boy?

Ref  
Kiss me suck me love me  
hate me break me tell me  
you won't stay..

Sloka 2:

Tell him  
I am here  
and waiting for  
becoming old.

Dashed smile  
special kind  
and serious  
mysterisous

Troubled mind  
down at night  
and never tried  
to be a perfect bride.

Tell him  
why I long  
for silly toy  
my ugly boy.

Mez:  
never you and me..

...  
and never you on my side on my side

Ref.

Kiss me suck me love me  
hate me break me tell me  
you won't stay..

Stay with me..
