

20 Years of Cock

Pansy Division

well i'm getting older
but i'm getting bolder
well yeah i'm aging
but i'm still raging
well i'm getting greyer
but i'm feeling gayer
im not ailing but
i might use a railing

ive had twenty years of cock
and im never gonna stop
ive had twenty years of cock
and im never gonna stop
ive had twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop

ten twenty thirty years of cock
ten twenty thirty years of cock
ten twenty thirty years of cock
forty fifty sixty years of cock

when im old
in my rocking chir
i'll have a grandfather clock
and a grandfather cock oh yeah

ive had twenty years of cock
and im never gonna stop
ive had twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop

twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop

twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop

twenty years of cock
and im never gonna stop
twenty years of cock
and im never gonna stop

twenty years of cock
and im never gonna stop
