

## It'll Never Be the Same

Pansy Division

If you're worried about tomorrow  
If you wondering what we'll gain  
If you worried about it  
Maybe we shouldn't cross that line today  
You know it'll never be the same  
You know it'll never be the same again

If you're worried about the tension  
Will it cause you any pain  
If you worried about it  
Maybe we shouldn't go against the grain  
You know it'll never be the same  
You know it'll never be the same again

Sex can ruin everything  
I've seen it all first hand  
Lust will cloud your judgement in the end  
And it's too late to change it  
You've got to understand  
Things were pretty decent up till then

If you're worried about our friendship  
Going right on down the drain  
If you worried about it  
Maybe we shouldn't keep playing this game  
You know it'll never be the same  
You know it'll never be the same again

Sex can ruin everything  
I've seen it all first hand  
Lust will cloud your judgement in the end  
Suddenly you find  
That it's gotten out of hand  
And now you've got to ditch another friend

If you're worried about tomorrow  
Will it cause you any pain  
If you worried about it  
Maybe we shouldn't keep playing this game  
You know it'll never be the same  
You know it'll never be the same again  
Never be the same again, the same again never
