

My Heart Aches for You

Pansy Division

We get along so easily
We can talk and talk endlessly
Though I love that we're close friends
I hate that's where it ends
Cause you do it all for me

I've been waiting half my life
For someone like you to arrive
But no matter what I try
I will never be your type
And I know that can't be denied

But my heart aches for you
Yeah my heart aches for you
I've waited half my life
But I'll never be your type
Still my heart aches for you

I've dated so many guys
And a lot of them were really nice
But I must report
That they all fell short
And things with you feel so right

There's really nothing I can do
To try to change your point of view
It's nobody's fault
It's just the way things are
But now I'm supposed to find somebody new?

Cause my heart aches for you
Yeah my heart aches for you
I've waited half my life
But I'll never be your type
Still my heart aches for you
My heart aches for you
