

# All Over Tonight

Pantera

It's late, when I see your face, all crapped up in my room  
Well alright, well it's taken all night, been searchin' for you  
u

Aw come on, take it down, give me some action, don't wanna see  
your face  
Oh yeah, it's o.k., been drinkin' my whiskey, there's got to be  
another way  
It's all over tonight  
It's all over, all over tonight  
Action!

Head's swimmin' round and round, it's gettin' under my skin  
I'm sayin. I wanna take you down, I'm gonna do you in  
Come on, go down, give me some action, don't wanna see your face  
e  
Oh yeah, it's o.k., been drinkin' my whiskey, got to be another  
way  
It's all over tonight  
It's all over, all over tonight
