

# Projects in the Jungle

Pantera

I come from the jungle  
I'm free from the trade  
No one can stop me  
I'm panic, I'm brave

I am the one there  
That had no shame  
No one mock me  
I played my game

Can you hear it?  
Call of the wild  
Hey man, it's screamin'  
Driving me wild

Projects in the jungle  
Projects in the jungle  
Projects in the jungle  
Projects in the jungle

Here to my eyes  
I'm bad as hell  
Run like the tiger  
That's playin' the bell

I am hunger  
Look in my stare  
I'm not a human  
I'm a beast in bed

Can you hear it?  
Call of the wild  
Hey man, it's screamin'  
I'm going wild

Projects in the jungle
