

Core (That's Who We Are)

Papa Roach

Live like it's the end of our days
Let's dance our worries away
Don't care what the others might say
That's who we are

Every day, every day it's something new
And they keep putting walls in front of you
But you know, yeah you know, you know the truth
Building bridges to stay above the water
Don't buy into the lies they told us
Nothing's gonna keep me away from you
No, I don't, I don't wanna do this anymore

Live like it's the end of our days
Let's dance our worries away
Don't care what the others might say
That's who we are
Live like we will never grow old
Dive deep right into the core
Don't care what the others might say
That's who we are

Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
That's who we are
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
That's who we are

Nobody, nobody's gonna bring us down
'Cause tonight, 'cause tonight we are the sound
Let the world, let world come hear us now, huh
They will try, they will try to make us fall
We will rise, we will rise above it all
Nothing's gonna keep me away from you, yeah
No, I don't, I don't wanna do this anymore

Live like it's the end of our days
Let's dance our worries away
Don't care what the others might say
That's who we are
Live like we will never grow old
Dive deep right into the core
Don't care what the others might say
That's who we are

Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
That's who we are
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
That's who we are

Every day, every day it's something new, yeah
Falling further and further from the truth, yeah
Every day, every day it's something new, yeah
Falling further, far from the truth

Live like it's the end of our days
Let's dance our worries away
Don't care what the others might say
That's who we are
Live like we will never grow old
Dive deep right into the core
Don't care what the others might say
That's who we are

Na-na-na-na-na-na-na
Na-na-na-na-na-na-na
Na-na-na-na-na-na-na
That's who we are
