Papa Roach

Let's get fucking rowdy  
Argh, go  
Wow

Standing at the bottom  
Of another fucking mountain again  
No, I'm not giving in  
Searching for a reason  
Tryna find a place to begin  
No, I'm not giving in

Time to detonate, burn it all away  
Don't let anybody come and try and steal your fame  
Time to detonate, yeah I know it's fake  
Watch me burn it all down, watch me dominate

Bitch, welcome  
Domination  
Bitch, welcome  
Watch me burn it all down, watch me dominate

Time to detonate, burn it all away  
Don't let anybody come and try and steal your fame  
Time to detonate, yeah I know it's fake  
Watch me burn it all down, watch me dominate

Bitch, welcome  
Domination
