Even If It Kills Me

Papa Roach

Running from the past
Running from the pain
You can't run it back
If you can't get away
R-r-running from the past
Running from the pain
You can't run it back
If you can't get away (Oh)

Is this a warning? Is this a sign?
Should I keep my mouth shut, let you never lie?
Cause everyday is a dull fight, I can see it piling up like a mile high
Oh, oh, oh
Cause I hope that you know when you're broken I'm broken too
Oh, oh, oh
If you need me I'll bleed for you

Even if it kills me inside
Even if you burn me alive
I'll carry that pain that you don't need
I'll carry that weight that you don't see
Even if it kills me this time
Even if I'm buried alive
I'll give my last breath so you could breathe
Even if it kills me
Even if it kills me

Is this the moment, is this the time?
Are you gonna wake up, gonna realize?
Your world is burning, a thousand signs
But you're choking on the smoke from the other side
Oh, oh, oh
And I hope that you know when you're broken I'm broken too
Oh, oh, oh
If you need me I'll bleed for you

Even if it kills me inside
Even if you burn me alive
I'll carry that pain that you don't need
I'll carry that weight that you don't see
Even if it kills me this time
Even if I'm buried alive
I'll give my last breath so you could breathe
Even if it kills me

Running from the past
Running from the pain
You can't run it back
If you can't get away
R-r-running from the past
Running from the pain
You can't run it back
If you can't get away
Warning

I won't run, I won't hide
Standing in the fire I'm alive

```
I won't run, I won't hide
I'm not leaving you behind

Even if it kills me inside
Even if you burn me alive
I'll carry that pain that you don't need
I'll carry that weight that you don't see
Even if it kills me this time
Even if I'm buried alive
I'll give my last breath so you could breathe
Even if it kills me
Even if it kills me
Even if it kills me

I won't run, I won't hide
I'm not leaving you behind
```
