Love Me Till It Hurts  
Love Me Till It Hurts

You are the poison - You are the pain  
The one chemical inside my veins  
It's true - I've been infected by you

I'm not a killer - No I'm not a saint  
And there's nobody left that I can blame  
Yeah it's true - I am the poison in you

Will you love me till it hurts?  
Never leave me at my worst?  
Break this cycle  
Break this curse  
Love me till it hurts  
We all get what we deserve  
Tell me do I have your word?  
Break this cycle  
Break this curse  
Love me till it hurts  
Love me till it hurts

We fell in love but then we went to war  
Now I'm the enemy I'm at your door  
It's true - I'm only fighting for you

We thought that we could make it through the storm  
Hell broke loose and then you fell from my arms  
Yeah it's true - I couldn't hold on to you

Will you love me till it hurts?  
Never leave me at my worst?  
Break this cycle  
Break this curse  
Love me till it hurts  
We all get what we deserve  
Tell me do I have your word?  
Break this cycle  
Break this curse  
Love me till it hurts

Will you love me till it hurts?  
Never leave me at my worst?  
Break this cycle  
Break this curse  
Love me till it hurts  
We all get what we deserve  
Tell me do I have your word?  
Break this cycle  
Break this curse  
Love me till it hurts
