Yeah!
This music is my time to reel out and rewind
I'll be brutal with truth, I'd rather be honest with my soul
Be the pile of trash a bum picks through to get a bite to eat
I'm filthy, I'm horny, I'm dirty nasty dirty!
I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll
C'mon!
Baby c'mon!
Yeah, baby c'mon!
Baby c'mon!
Break it, break it, break it
I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll
I'm crazier than I ever was
I'm bloodied up I beat my skull in
I'm comin' home in a body bag
And I'm ready to die for rock 'n' roll
I can't change the world
I can only change myself yeah
I'm as sharp as a knife, as high as a kite
Demented as the night is long
I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll
I'm not sheddin' a tear
I'm blowin' some steam
I'm stuck in between, living a dream
I'm not sheddin' a tear
I'm blowin' some steam
I'm stuck in between, living a dream
C'mon!
Baby c'mon!
Yeah, baby c'mon!
Baby c'mon!
