

Revenge

Papa Roach

Remember the girl
Abused with forks, knives, and razor blades?
Remember the girl
Abused with forks, knives, and razor blades?

She finally left him
Had enough of her man's rage
Band-aids covered her scars she left him bloodied
Beat his ass with a bat
Face sunk in like silly putty
Ya alll can say that so I could study
Destruction of the family design
And how the morals of society decline
Essentially it's beats to rhyme like grapes to wine

It's alright, we're in love
Can't live with or without

You see she can't live with him
And can't live without him
Stress got her
Now she needs to deal with the problem
As the drama gets deeper
I puff on the reefer
Took the last step and sent his ass to the reaper
Chaos
Is what she saw in the mirror
Scared of herself and the power that was in her
It took over
And weighed heavy on her shoulder
Militant insanity is now what controlled her

It's alright, we're in love
Can't live with or without

It's alright, we're in love
Can't live with or without

We're in love
We're in love

Kill it before it reaches you
Missiles won't work it's approaching the mainland
What if it reaches the metropolitan areas?
Cosmopolitan areas
Secure the lines and prepare for departure
Calm, calm, calm,
It is a, a big business
And seems to be
Advancing underground
Cuz my style is yo, is underground
I'm green
With my red eyes mad tint
Flea fly flo
Rapido, rapido
She feeds plentiful
ELECTRIFYING THE NATION!

ELECTRIFYING THE NATION!

Don't you see that we're in danger?
How will we stop it?
She is attacking
Don't you see that we are in danger?
How will we stop it?
She is attacking

Sucka!
Danger danger!

Running out, we're running out
(Running out of time)
Running out, we're running out
(Running out of time)
Running out, we're running out
(Running out of time)
Running out, we're running out

It's alright, we're in love
Can't live with or without
