Papa Roach

Bitch don't play with us,
We far too dangerous
End up with a noose around your neck
Tryna hang with us
Better give up or we'll take you down
Watch the crown
Get us started then it's over BLAU!
Make a statement, say it loud
Fuck the game and then take a bow

That's right, got you running for your life
Got you praying on your knees
That you make it through the night
Yeah you stepping in the wrong place
At the wrong time,
Walking right into the knife,
Are you stupid are you blind?

Are you stupid are you blind?

(Hey!) Am I talking to you clearly?
(Ho!) Cause I don't think you hear me

We see it how we call it, (don't swerve in my lane)
Motherfuckers going all in, (don't swerve in my lane)
So you better be cautious, (don't swerve in my lane)
I will never hesitate if you swerve in my lane

We see it how we call it, (don't swerve in my lane)
Motherfuckers going all in, (don't swerve in my lane)
So you better be cautious, (don't swerve in my lane)
I will never hesitate if you swerve in my lane

It's like you need the hype,
All that bullshit in ya life
Got you talking evil-like
You know you can't pay the price
Why you even trying to control me
Posing like a trophy,
We're not affiliated in any way

Fuck with my money put his face on milk cartons
Welcome to the jungle she my Jane and I'm Tarzan (ay)
Sub-zero finish him Mortal Kombat
Skirt off in a beamer, I'ma leave him like a mile back
My brother made a box from a dime bag
Now we eating good (hey), pockets playing lineback

Or it's bang bang bang
Get smacked up,
If you ain't gang, gang, gang

We see it how we call it, (don't swerve in my lane)

Motherfuckers going all in, (don't swerve in my lane)
So you better be cautious, (don't swerve in my lane)
I will never hesitate if you swerve in my lane

We see it how we call it, (don't swerve in my lane)
Motherfuckers going all in, (don't swerve in my lane)
So you better be cautious, (don't swerve in my lane)
