

Love-You're A Long Time Coming

Paper Lace

Love you're a long time (time) time coming
Love you're a long time (time) time coming
Ah (ah)
Ah

Sweet songs keep on saying how you brighten the day
Oh, but love, you're a long time coming
Love, you're a long time coming

And every movie maker brings you into the play
Oh, but love, you're a long time coming my way

Laughing is crying and living is dying without you
Sugar is sour and every hour is like a lonely day

My friends tears and sorrow, they come by every day
Oh, but love, you're a long time coming my way

Oh whoa, love, you're a long time coming my way

Laughing is crying and living is dying without you (Ah)
Sugar is sour and every hour is like a lonely day (Ah)

Sands of time keep running, years go slipping away (Ooh)
Oh, but love, you're a long time coming
Love, you're a long time coming
Love, you're a long time coming and
Love you're a long time coming my way

Hey, love, I live at 1725 48th Street Apartment B
Why don't you come by sometime?

Whoa oh, love you're a long time coming my way
(Love you're a long time (time) time coming)
(Love you're a long time (time) time coming)
Whoa oh, love you're a long time coming my way
(Love you're a long time (time) time coming)
(Love you're a long time (time) time coming)
Whoa oh, love you're a long time coming my way
(Love you're a long time (time) time coming)
(Love you're a long time (time) time coming)
Whoa oh, love...
