

Am I

Parabelle

Now I have you and want you
I don't wanna lose you, my love
Sorry if I feel like I have to
Prove it to you, my love
Now I need you and want you
I don't wanna lose you, no
Sorry if I feel like I have to
Prove it to you

Hey yeah, this is who I am
Hey yeah, I hope that you understand
Don't walk away

Am I a ghost, tell me if I am
If I am a ghost I won't haunt you
But I will if you want me to

Hey yeah, this is who I am
Hey yeah, I hope that you understand
Hey yeah, [?]
Don't walk away
One more broken phrase
Do I suffocate you?
Tell me to my face

Hey yeah, this is who I am
Hey yeah, I hope that you understand
Hey yeah, this is who I am
Don't walk away
