

# Dance Around It

Parachute

You don't want to be alone  
I'm afraid that I'll never do better  
Talking on the bedroom floor  
Trying to keep it all together  
Cause even when it's no one's fault  
Even though we'll still be friends  
We don't want to start again

You don't want to speak the truth  
I don't want to be the one to break it  
Hoping if we both just wait  
The other one is gonna say it  
We know that the music stopped  
But we already came this far  
So we don't want to give it up

Oh so we just dance around it  
Too scared to do it  
Don't want to lose it  
So we just dance around it  
Dance around it  
Last song is playing  
Don't want to face it  
So we just dance around it

Funny when it's running out  
How you wonder where the time goes  
Remember how I slipped that first night  
Trying to sneak in through the window?  
Woke the whole house up  
Still never seen you laugh so much  
But memories are not enough

Oh so we just dance around it  
Too scared to do it  
Don't want to lose it  
So we just dance around it  
Dance around it  
Last song is playing  
Don't want to face it  
So we just dance around it

Oh we know we're hanging by a feeling  
But it's hard when we'd rather just believe it  
Oh we know we're hanging by a feeling  
But it's hard when we'd rather just believe it

Oh so we just dance around it  
Too scared to do it  
Don't want to lose it  
So we just dance around it  
Dance around it  
Last song is playing  
Don't want to face it  
So we just dance around it  
We just dance around it
