

So glad you're finally home
But your phone rings
Say You Gotta go Go
Oh oh oh
I'm in love with a rolling stone

You come back with apologies
But the foods cold
And I'm asleep
Oh oh oh
I'm in love with a rolling stone

How can we build a home
If you're never there
Don't keep hanging on
If you don't care
Why you keep running
Why you keep running
Why you keep running
Left in the crowd
The music's too loud
Feel like I'm living with a rokstar
Feel like I'm living with a rokstar

My Heart beats alone
While you Sing your Song
Feel like I'm living with rokstar
Feels like I'm living with a rokstar

My Birthday, it slipped your mind
You're busy so preoccupied
Oh oh oh
I'm in love with a rolling stone

I'm on time but you're always late
I held strong but I'm about to break
Oh oh oh
I'm in love with a rolling stone

How can we build a home
If you're never there
Don't keep hanging on
If you don't care
Why you keep running

Left in the crowd
The music's too loud
Feel like I'm living with a rokstar
Feel like I'm living with a rokstar

My Heart beats alone
While you sing your Song
Feel like I'm living with rokstar
Feel like I'm living with a rokstar

Feels like I'm living with a rokstar
I swear I'm living with a rokstar

Left in the crowd
The music's too loud
Feel like I'm living with a rokstar
Feel like I'm living with a rokstar

My Heart beats alone
While you sing your Song
Feel like I'm living with rokstar
Feel like I'm living with a rokstar

Feels like I'm living with a rokstar
