

## Beneath Broken Earth

## Paradise Lost

Before us the King  
As lifeless hearts sink

Before us the King  
As lifeless hearts sink

Before us lays dreams  
A light no one sees

Hail to nothingness  
You wish to die

Hail to Godliness  
You wish to die

Ungodliest ones  
The circle is done  
Ungodliest ones

Hail to nothingness  
You wish to die

Hail to Godliness  
You wish to die

Before us the King  
Our lifeless hearts sink

Before us beneath  
A light no one sees
