Tears Are Always The End

Paralysed Age

How long did we sit here last night How deep have I been drowning Was it all just sweet blood And unconsciousness The sweet taste of red wine Your numb tongue close to mine

How long did we sit here last night Seconds like eternity Poison in your brain You so close to me Both of us so close to death

I never wanted this But this was what I've been Waiting for all my life For all my life

And this is what Ill be Waiting for all my life For all my life
