

# Breathe

Paramore

**Bmaj Gm**

1. I climb, I slip, I fall  
Reaching for your hands  
But I lay here all alone  
Sweating all your blood

If I could find out how  
To make you listen now  
Because I'm starving for you here  
With my undying love  
And I, I will

**Dm B Am B**

- R: Breathe for love tomorrow

**Dm B Gm B**

Cause there's no hope for today

**Dm B Am B**

Breathe for love tomorrow

**Dm B Gm B**

Cause maybe there's another way

2. = 1.

R: Breathe for love tomorrow... (2x)

3. I climb, I slip, I fall  
Into your empty hands  
But I lay here all alone  
Sweating all your blood
