

# Crave

Paramore

I can't wait to memorize this day  
Oh, a picture could not contain  
The way it feels  
You say, "Live in the present."  
I'm already dreaming of how it begins  
And trying to savor the moment  
But I know the feeling will come to an end

So I  
Crave  
Crave to do it again  
All again  
Crave  
Crave to do it again, I  
Just for a second it all felt simple  
I'm already missing it  
So I  
Crave  
Crave to do it again  
All again

I romanticize even the worst of times  
When all it took to make me cry  
Was being alive  
Look up and see a reflection of someone who never gave way to the pain  
What if I told 'em, now that I'm older, there isn't a moment that I'd wanna change

Now I  
Crave  
Crave to do it again  
All again  
Crave  
Crave to do it again, I  
Just for a second it all felt simple  
I'm already missing it  
So I crave  
Crave to do it again  
All again

Any second  
Feel the present  
Future and the past  
Connecting

Any second  
Feel the present  
Future and the past  
Connecting

Crave  
Crave, to do it again (Do it)  
All again  
Crave  
Crave to do it again, I  
Just for a second it all felt simple  
I'm already missing it

So I crave  
Crave to do it again  
All again
