

# David Byrne Does Hard Times

Paramore

All that I want  
Is to wake up fine  
Tell me that I'm alright  
That I ain't gonna die  
All that I want  
Is a hole in the ground  
You can tell me when it's alright  
For me to come out

Hard times  
Gonna make you wonder why you even try  
Hard times  
Gonna take you down and laugh and when you cry  
These lives  
And I still don't know how I even survive  
Hard times, hard times

Walking around  
With my little rain cloud  
Hangin' over my head  
And it ain't coming down  
Where do I go?  
Give me some kind of sign  
You hit me with lightning  
Maybe I'll come alive

Hard times  
Gonna make you wonder why you even try  
Hard times  
Gonna take you down and laugh and when you cry  
These lives  
And I still don't know how I even survive  
Hard times, hard times  
Ow!

Tell my friends I'm coming down  
We'll kick it when I hit the ground  
Tell my friends I'm coming down  
We'll kick it when I hit the ground  
When I hit the ground  
When I hit the ground  
When I hit the ground  
When I hit the ground

Hard times  
Gonna make you wonder why you even try  
Hard times  
Gonna take you down and laugh and when you cry  
These lives  
And I still don't know how I even survive  
Hard times, hard times

Hard times  
Gonna make you wonder why you even try  
Hard times  
Gonna take you down and laugh and when you cry  
These lives

And I still don't know how I even survive  
Hard times, hard times
