

Decoy

Paramore

B **Es**
1. Close your eyes and make believe
F **Gmi** **Es**
This is where you wanna be
B **Es**
Forgetting all the memories Try to forget
F **Gmi** **Es**
love cause love's forgotten me
B **Es**
Well hey, hey baby it's never too late
F **Gmi** **Es**
Pretty soon you won't remember a thing
B **Es**
And I'll be distant as stars reminiscent
F **Gmi** **Es**
Your heart's been wasted on me

B Es F Gmi Es

Ohhhohhhh-oh-oh

Gmi

R: You've never been so used
Es
As I'm using you
F
Abusing you My little decoy
Gmi
Don't look so blue
Es
You should've seen right though
F
I'm using you My little decoy

My little decoy (2x)

2. Live a life inside a dream
Time is changing everything
Forgetting all the memories And I'm forced into
you just cause you're into me
Well hey, hey baby it's never too late
When I'm gone you won't remember a thing
But I can't stay and no, I won't wait
I was gone from the very first day

Ohhhohhhh-oh-oh

R: You've never been so used...

Cmi Es Gmi

*: Ohhh-Awww-Awww

F **Cmi**
I'm not sorry at all
Es **Gmi**
(not sorry at all, not sorry at all)
no, no
F **Cmi**
I wont be sorry at all

Es **Gmi**
(not sorry at all, not sorry at all)
no, no
F(hold)
I'd do it over again

My little decoy (2x)
