

Running Out Of Time (Re: Panda Bear)

Paramore

(Mm) Time's up again
I'm plannin' the getaway
Or grindin' the life away
I can't tell
I wanna say
I'm throwin' another die
Or hopin' to nullify
I can't tell (Mm)

I'm always runnin' outta time

I'm not the lucky one, I keep to myself
Then wish for better, I can't tell

(Mm) Every now and then
Can't hide it, I'm turnin' up
Sidesteppin' the truth somewhat
I can't tell
I know it's meant
Can't tell if I've had enough
If I'm givin' or givin' up
I can't tell (Mm)

I'm always runnin' outta time

I'm not the lucky one, I keep to myself
Then wish for better, just can't tell (Mm)
I got a mystery I keep to myself
Put it together 'cause I can't tell

Time's up again
I'm plannin' the getaway
Or grindin' the life away
I can't tell
A secret I can't tell
I can't tell
A secret I can't tell
Think I feel a fracture in the mirror, just can't tell
And I got a feelin' it's unlockin', now I've fell
Always runnin' out of time
Think I feel a fracture in the mirror, just can't tell
And I got a feelin' it's unlockin', now I've fell
I can't tell

Mm
