

Whoa

Paramore

Intro: **Am7 E B** (2x)

Am7 **E**
1. I've hoped for change
B **Am7**
it gets better everyday
E
I've hoped for change
B **Am7**
but still I feel the same
E
there's something wrong
B **Am7**
cause everybody knows
E B
that we can do this on our own.

Asm **A**
R: And we've got everybody singing
E
whoa, whoa, whoa, whoa
Asm **A**
and we've got everybody singing
E **B/Es**
whoa, whoa, whoa, whoa.

2. We're doing fine
and it gets better everytime
we're doing fine
but I'll let you decide
there's something wrong
cause everybody knows
that we can do this on our own

R: And we've got everybody singing...

A **E**
*: And I'll confess
Asm **A** **E Asm**
that I can be a little selfish
A **E**
yeah I'll admit
Asm **A**
I don't want you to help me through this
E **Asm**
I don't want to start over again

Interlude: **A E G#m** (2x)

E Asm **A** **E**
And we've got everybody singing...

R: And we've got everybody singing...

*: And I'll confess...
