

# You First

Paramore

Living well is not my kind of revenge  
You should take it from me  
Living well is just a privilege  
Thought I'd simmer down as I got older  
Can't shake the devil sitting on my shoulder  
Who invited you?

Just like a stray animal  
I keep feeding scraps  
I give it my energy  
And it keeps on coming back  
Just like a stray animal  
I keep feeding scraps  
I give it my energy  
And it keeps on coming

Everyone is a bad guy  
And there's no way, no way to know who's the worst  
Karma's gonna come for all of us  
And I hope, I hope, I just hope, she comes, comes for you first, oh

Which wolf wins?  
I guess it really depends  
Just gotta wait and see  
Which one's appetite's the biggest  
Turns out I'm living in a horror film  
Where I'm both the killer and the final girl  
So who, who are you?

Just like a stray animal  
I keep feeding scraps  
I give it my energy  
And it keeps on coming back  
Just like a stray animal  
I keep feeding scraps  
I give it my energy  
And it keeps on coming

Everyone is a bad guy  
And there's no way, no way to know who's the worst  
Karma's gonna come for all of us  
And I hope, I hope, I just hope, she comes, comes for you first, oh

Never said I wasn't petty  
Never said I wasn't petty

I never said I wasn't petty  
You can bet I don't regret it for a second  
It's a pleasure, it's a reckoning  
Never said I wasn't petty  
I'll do better when you're better  
Let me revel in your defeat

Everyone is a bad guy  
And there's no way, no way to know who's the worst  
Karma's gonna come for all of us  
And I hope, I hope, I just hope, she comes, comes for you first, oh
