Back for War

Parasite Inc.

No God damn rock stars No image at all Too cold for their sick industry

But hey as the phrase goes: "bad weeds grow tall" And we are back again!

We are back Back for...

War is the hole Suffering is the key The earache will still going on Consistent, annoying, suicide in your vains The inc is back again

No God damn rock stars

No image at all

Too cold for their sick industry

But hey as the phrase goes: "bad weeds grow tall"

And we are back again!

We are back

Back for war
