

Enroll it now, vomiting monger  
Spit caustic words 'cause hate makes you stronger  
Always in haste without reflection  
Copy and paste, maybe for satisfaction?

Diversity is nothing for you  
An elitist, hell, you're so true  
If you don't like, why even listen?  
Go shoot yourself

I am your monochrome!  
Unbehold the shades that I've become!  
I am your monotone!  
I still create but not for everyone!  
I am!  
I am!

Enroll it now, vomiting monger  
Your spastic words, they just make me stronger  
I evolute, maybe be hated  
While you just stay and become deprecated

All your (all your)  
Written contempt (written contempt)  
Just would not change  
Of who (of who), of who I am  
I'm not your slave (I'm not your slave)  
Nor I'm a fool (nor I'm a fool)  
Neither your faith but  
I am (I am)  
I am (I am)

I am your monochrome!  
Unbehold the shades that I've become!  
I am your monotone!  
I still create but not for everyone!  
I am!  
I am!
