

Everybodyelse

Parcels

Cash in my coat
Walking on a rope
Like everybody else is
Trying to be cool
Trying to break the rules
Like everybody else is
Sometimes it's fine
Sometimes I get high
Like everybody else did
But I'm always alone
Always on the phone
Like everybody else is

Everybody else is
Everybody else is

Standing in line
Waiting for a sign
Like everybody else is
Putting on pants
Summering in France
Like everybody else is
I fell in love
Then I fucked it up
Like everybody else did
And I'm coming undone
And I'm the only one
Like everybody else is

Everybody else is
Everybody else is
Everybody else is
Everybody else is

Artisanal soap
I forgot to vote
Like everybody else did
And haven't you heard
Everything's absurd
Like everybody else is

Everybody else is
Everybody else is
Walking on a rope
Holding on to hope
