

Overnight

Parcels

Go back
I want, so bad, to hold you back
It's all I've said and done

Fall in, be gone
I will stand as I've won again
The reason for no more
Overnight

The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
The minute I was thinking
To hold you back
The moment I was wishing
It's overnight

Slow down, never
I know now, I know better
I need it more than ever

Go back under
Hope that I fall on the track
It's all I've said and done
Overnight

The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
The minute I was thinking
To hold you back
The moment I was wishing
It's overnight

It's overnight

The minute I was thinking
To hold you back
The moment I was wishing

The minute I was thinking
To hold you back
The moment I was wishing
It's overnight
