

All that I know  
Something is calling  
Somewhere I am going  
I cannot say  
Like you, I'm hoping  
There's no way of knowing  
I'm making my way  
I'm making it something  
Maybe someday I'll show you

Planes in the sky  
Garden is growing  
There's no way of knowing  
I can let you know  
I will let you  
I can say it's so  
But something tells me no  
I need to forget  
I need to let it go

Who is to say  
They know what they're doing?  
They probably are just faking  
And no one is to blame  
No one is joking  
But there's no way of knowing

I can let you know  
I will let you down  
I can say it's so  
I can say it now  
All I need to know  
Is it safe and sound?  
Is it safe and sound?
