

## Sorry

Parcels

I'm sorry for the climb on the way up  
I'm sorry for the fall on the way back down  
I'm sorry for the time that we gave up  
I'm sorry for the fire and the shaking ground

And I'm sorry that it hurts to be loved  
I'm sorry that it hurts to be loved

I'm sorry that the world isn't easy  
I'm sorry for the mess that your mother made  
I'm sorry for the lies and the leaving  
I'm sorry for the games and the way we play

And I'm sorry that it hurts to be loved  
I'm sorry that it hurts to be loved

I'm sorry that I want you to feel love  
I'm sorry that I want you to be okay  
I'm sorry that I fear what you think of  
I'm sorry that it's hard when you go away

And I'm sorry that it hurts to be loved  
I'm sorry that it hurts to be loved

I'm sorry that it hurts to be loved  
I'm sorry that it hurts to be loved
